Peace Public School
—KOTTAKKAL—

We always stand unique for our Methodology of Teaching through our innovative Curriculum and ensuring to spread the fragrance of Moral Values.

About Us

Peace Public School Kottakkal aims to nurture students from young learners to World-Class Leaders by providing them with a Natural, Secular, Student-Centric environment that empowers and inspires their minds, bodies and spirits with full-fledged and good infrastructural facilities, activity-oriented classrooms and student-friendly ambience. We offer the most innovative curriculum par with Cambridge, NEP-2020, NCERT, SCERT and Chrysalis where every child from Pre-KG to Grade X can develop self-esteem, self-confidence, and achieve their potential to the fullest.

Peace Public School Kottakkal is an English Medium School Affiliated with the Central Board of Secondary Education (CBSE) and Accredited by the British Council, UK, focusing on 21st-century skills. We always stand apart for our Methodology of Teaching through an innovative curriculum that ensures to inculcate moral values, manners and etiquette in students, embedded with a specialized curriculum for Value Education and Emotional Intelligence (EI). Our School is a recipient of various National and International Awards and Achievements and our students get ample opportunities to explore themselves in distinguished platforms such as TEDx, Toastmasters Gavel Club, Coding Club, Digital Fest, British Council International Collaboration etc.

Along with academic lessons, we encourage our students to open up their minds towards Extra-Curricular activities and provide them with opportunities to participate in the district, state and national level literary, art, cultural, sports and games competitions. We are a permanent member of Malappuram Sahodaya School Complex, a platform for CBSE affiliated schools.

We provide a happy, caring environment in which both children and adults feel secure and valued, where they find satisfaction and pleasure in their work and where learning flourishes. We always ensure continuity and progression within the curriculum and provide opportunities for children to develop an understanding of the world and their influence upon it. We enable both students and staffs to unleash their potential and to acquire knowledge, skills, concepts and attitudes which is relevant throughout their lives.

Over the years, Peace Public School Kottakkal has garnered a strong reputation to become one of the Best Schools in the city through its innovative practices in the field of School Education.

Vision

To create an exemplary society with responsible citizens, who are enlightened with values and empowered with soft skills and life skills, and thereby provide a steady stream of leaders to the nation capable of being on the driving seat of the world.

Transportation

Education is the process of moulding human personality by offering training in physical, emotional, intellectual, imaginative as well as spiritual aspects.

Excellent Secular Education in an Ethical Environment is the slogan of Peace School. We are committed towards instilling positive developments in all fields by providing students with academic excellence in a morally and ethically upright environment.

Peace Students are made to learn to have a commitment, work earnestly and strive for excellence. They are furnished with a variety of learning strategies, personal skills, and time management skills to enhance learning capabilities.

Our students are trained to reflect on as well as evaluate their learning and progress for reaching better heights. Peace students are taught to integrate knowledge and experience from different subject areas. Our students are instructed to apply what they already know to acquire new knowledge, develop new skills and expand understanding.

They are given opportunities to demonstrate integrated knowledge and skills in applying multidisciplinary approaches for solving problems or completing tasks. We also nurture our students to be really patriotic to respect the diversity of our great Nation and to follow the duties and responsibilities as per the constitution of India.

CURRICULUM ALIGNED

We offer a curriculum that is broad, balanced and student centered which covers all the major subjects. The curriculum has been designed to give our students, teachers and parents a clear overview of the progress of children at each stage. We believe that our students should have a strong foundation on academic skills, analytical thinking and capable of becoming leaders.

Pre KG, Junior and Senior KG

An exclusive pre-primary wing with a unique curriculum has been designed in such a way to stimulate every child according to his age, nature and interest and thereby help master themselves in language, cognitive, physical, interpersonal, numerical and creative skills through South Asia's Most Innovative Curriculum Chrysalis.

GRADE 1-6

The aim of 21st century education is to prepare the students to succeed in a global environment and a curriculum like CAMBRIDGE International plays a large role in grooming the students in this direction. Peace Public School Kottakkal is one such school that offers CAMBRIDGE curriculum to its students from grade 1-6 in order to build their independent thinking skills and allowing them to develop a passion for learning.

GRADE 7-10

Peace Public School Kottakkal offers CBSE (Central Board of Secondary Education) syllabus as prescribed by NCERT to students from grade 7-10. The curriculum provides our students opportunities to apply information and knowledge effectively and to blend its content with real life application and contextual connections.

VALUE EDUCATION

A Unique Curriculum for Muslim students based on Islamic Concepts and Practices, designed to develop an ideal personality, linked to 6 Core Values such as Integrity, Care, Harmony, Respect, Resilience and Responsibility.

ARABIC & MALAYALAM

We follow the SCERT syllabus for the students of grade I to X. Students of Grade IX and X can opt for their own preferred language.

EMOTIONAL INTELLIGENCE

Our EI Curriculum is designed in such a way to empower the emotional and social skills of our students to become excellent personalities in their personal life as well as excellent leaders in their society. This can help the students develop improved self-motivation and more effective communication skills essential to help them to be a much more confident learner.

MORAL PRACTICES

The Moral Values are guiding principles of life. They are responsible for the overall development of an individual and at the same time bring a greater approach to attitude, mental health and physical growth as well as social well being. Our school strictly follows the practices in imparting moral values in every aspect of life. It is secular in thoughts and practices giving space to each and every child at Peace Kottakkal.

PEACE PARENTING

We believe that Child Development has its roots in parents and thereby act as a visionary to their children. Peace Parenting Program supports positive interaction between school and home, encouraging parents to participate in the educational process. Along with the Peace Parenting Program, the school initiates regular communication between school and home, regular parent-teacher interaction through open houses and seminars. Peace School provides a special program for educating our parents about their roles and responsibilities in the Peace family of which they are an integral part.

Infrastructure

MATHS LAB

The Mathematics Lab of Peace Kottakkal is equipped with a collection of games, puzzles and other teaching and learning material that nurtures their interest in learning the subject with a practical approach.

SCIENCE LAB

The Science Lab of Peace Kottakkal is a modern lab equipped with the latest apparatus to provide the much needed facilities to the students upto grade 10 which also nurtures their interest in learning the subject with a practical approach.

COMPUTER LAB

Peace Kottakkal provides an eco-friendly computer lab which helps the students gain hands-on experience of modern information technology and acquire practical knowledge and applications of computer science.

SPORTS FIELD

Peace Public School Kottakkal gives equal importance to sports and games. We provide facilities for all major games and sports to encourage healthy competition, character building and physical stamina. Inter-house and inter-school sports competitions are held throughout the year.

LIBRARY

The Peace Library provides academic support to students and faculties through its services to better suit the growing educational needs of all our students and teachers from Grade 1-10.

HOW WE DIFFER...?

AFFILIATED

We are a school affiliated to the Central Board of Secondary Education, New Delhi Under the Ministry of Education Govt. of India (Affiliation No. 931238)

CONTENT PARTNER

CAMBRIDGE
UNIVERSITY PRESS

We are part of Cambridge International curriculum starting with primary stage. Cambridge International prepares students for life, helping them develop an informed curiosity and a lasting passion for learning. We introduced the curriculum to engage learners and give them solid foundation to achieve high levels of academic and personal attainment. The Cambridge Primary Programme gives schools a framework to develop English, Mathematics, Science and to impart knowledge and comprehension skills in our students.

EDUCATION PARTNER

Google for Education
Partner

We are proud to proclaim that we are the First Google Education partner School in the state. Following the trends in use of Information Technology in education, our school implements services provided by Google Apps for Education like Google Classroom, etc. Every Student enrolled into our school receives an individual Google account. The global platform creates a collaborative environment for teachers and students to use technology intelligently.

ACADEMIC PARTNER

We give importance to nurturing the curiosity of our children and letting them develop at their own pace through South Asia's most innovative curriculum Chrysalis. The curriculum aims to capture the golden period of childhood and give children the right amount of stimulation and challenge in all aspects of development.

ACCREDITED

We are the first school in the district to receive the International School Award and accreditation by the British Council, U.K. It was a proud moment to all the stakeholders of Peace Public School Kottakkal that the activities of our students engaged in the academic year 2019-20 were accredited by the British Council and our School was eligible to receive the International School Award.

Our Activities

HSG UNIT

Through Hindustan Scouts and Guides Unit, we ensure the mental, physical and spiritual development of our children.

MALAPPURAM SAHODAYA

We are a permanent member of Malappuram Sahodaya School Complex, a movement initiated and guided by CBSE for the academic and cultural growth of the schools affiliated with it.

NALLAPADAM CLUB

We have always been a part of Malayala Manorama Nallapadam since 2016 and have bagged many awards at district and state levels. The team aims at improving the social goodwill of the students and teachers.

SEED CLUB

We have been a part of Mathrubhumi Seed since 2016 and have bagged many Awards at district and state levels. The club aims at creating awareness among the students' community on environmental protection. Our school was honoured as one of the top educational institutions in the Malappuram District.

DIGITAL FEST

Digital Fest is a unique event conducted by the team Cyber Square in the school every year where students from different countries get the opportunity to develop and present their own ideas and work on creative projects using digital technologies and showcase those to the public.

SMART ENERGY PROGRAM

We aim at creating awareness among students on energy conservation and environment-friendly energy technologies through SEP Club.

TEDx Peace Public School

We are in the mission of inspiring all of our students and empowering them with the skills, courage and integrity to pursue their dreams through continuous training and living opportunities to become student speakers who contribute their ideas to the public. We were successful in hosting our first ever TEDx Event among the school level in the District as well as State, featuring our Student Speakers and External Speakers with their talks to reach out and inspire the youth.

GAVEL CLUB

We always try to motivate and build confidence in our students to make them better speakers and leaders. The club is affiliated with toastmasters international aiming to improve their public speaking skills, self confidence and self awareness through continuous training on a weekly basis.

CODING CLUB

We are associated with the team CYBER SQUARE aiming at training the students in technology like AI, Robotics etc and ensuring to turn it into productive skills. The club also aims to engage children in technology and allow them to gain a practical understanding of basic coding which benefits them in learning coding at a young age to develop their own projects using the latest technologies.
